Health Again to the Front.
This long-established and representative furniture store has again marched to the front ranks in the furniture business in the National Capital, which is centrally located in the "Old-Fashioned" Hall, Seventh street north-west. Mr. Rothbart takes great pleasure in presenting to the public the latest and best selected stocks of all styles and qualities of furniture that he has ever had the pleasure of exhibiting to this community.

His stock is all new and complete, and was selected at the factories with much care and judgment. He is offering this excellent stock at bottom figures, and it will pay those contemplating buying furniture to call at this magnificent furniture establishment and examine his goods and obtain his cut-rate prices before purchasing elsewhere. His furniture is elegant and new, of all the latest styles, designs and finish, and is sold at a low and reasonable price, time and wear and tear of body, mind, and, perhaps, the soul.

ARTISTIC WORK.

Progress Made in the Fine Product.

In no branch of art work has the United States progressed so rapidly in the past few years as in fine productions in metal—real bronze, brass and wrought iron. Washington has been quick to appreciate this. Perhaps the best example of ecclesiastical metal work in this country has recently been placed in the new Church of the Covenant in this city, consisting of the large organ, and brackets for lighting this magnificent building. Although the organ is one of the largest combination fixtures for gas and electricity that has yet been made in the United States, its lines are so artistically correct and beautiful that the prevailing impression derived from seeing it in its place is lightness and gracefulness. This work was designed and made by Messrs. De Koenig & Hetherington of Philadelphia. The chandeliers for the inauguration hall used in the President's room, Vice-President's room and room for the Diplomatic Corps were also designed and made by this firm. Mr. De Koenig, a Russian by birth, and educated in the best European art centres, is to-day acknowledged to be at the head of his profession as a designer of art metal work of every kind. Mr. Hetherington is a prominent member of the celebrated Clover Club of Philadelphia, the Art Club, the Union League, the Manufacturers' Club and many others in that city.

He is also one of the committee on works of art of the Fairmount Park Art Association, which has done so much for art in Philadelphia. This firm is making the work in their line for some of the finest public buildings and choicest private residences in the country, and have been congratulated on all sides for purity of style, fine mechanical execution and great originality of design. Messrs. S. S. Shedd & Bro. of Ninth street are the sole agents in Washington of this firm, and its goods can be obtained through them.

Death of Dr. G. A. White.

Dr. G. A. White, the well-known "chilropodist," died suddenly yesterday afternoon of apoplexy at his office, 1416 Pennsylvania avenue. He was found by his son lying on the floor at 3 o'clock, where he had fallen from his chair. A physician was summoned, who found that life had been extinct some time.

Mr. John Hoover, who was probably the oldest native resident of the District, died at his home on New Jersey avenue Thursday afternoon. He was born in Georgetown, February 22, 1798. The funeral will take place on Monday morning.

STORE NEWS

—BY—

WOODWARD & LOTHROP

LATEST "NOVELTIES" IN JEWELRY.

Our Jewelry Department is but a few months old, yet it now ranks well with some of the oldest in the store.

There is but one conclusion to be drawn from this. We were fortunate enough to secure the exclusive Washington agency of one of the largest manufacturers in this country, and are in consequence enabled to quote prices considerably lower than would otherwise be possible.

The various designs and shapes are actual reproductions of the solid gold jewelry, and in addition we show a vast number of exclusively original designs and shapes not to be found elsewhere.

Particular attention is called to the Enamelled Jewelry and Real Enamel Brooches, etc. The enamel is made from various kinds of sand and the oxides of different metals. These are carefully prepared and burnished by fire, giving them a brilliantly polished surface and great durability. The newest designs represent the various flowers, such as violets, daisies, hartsenae, etc. Prices—\$1.00, \$1.50, \$2.00, \$2.50, \$3.00, \$3.50, \$4.00, \$4.50, \$5.00, \$5.50, \$6.00, \$6.50, \$7.00, \$7.50, \$8.00, \$8.50, \$9.00, \$9.50, \$10.00, \$10.50, \$11.00, \$11.50, \$12.00, \$12.50, \$13.00, \$13.50, \$14.00, \$14.50, \$15.00, \$15.50, \$16.00, \$16.50, \$17.00, \$17.50, \$18.00, \$18.50, \$19.00, \$19.50, \$20.00, \$20.50, \$21.00, \$21.50, \$22.00, \$22.50, \$23.00, \$23.50, \$24.00, \$24.50, \$25.00, \$25.50, \$26.00, \$26.50, \$27.00, \$27.50, \$28.00, \$28.50, \$29.00, \$29.50, \$30.00, \$30.50, \$31.00, \$31.50, \$32.00, \$32.50, \$33.00, \$33.50, \$34.00, \$34.50, \$35.00, \$35.50, \$36.00, \$36.50, \$37.00, \$37.50, \$38.00, \$38.50, \$39.00, \$39.50, \$40.00, \$40.50, \$41.00, \$41.50, \$42.00, \$42.50, \$43.00, \$43.50, \$44.00, \$44.50, \$45.00, \$45.50, \$46.00, \$46.50, \$47.00, \$47.50, \$48.00, \$48.50, \$49.00, \$49.50, \$50.00, \$50.50, \$51.00, \$51.50, \$52.00, \$52.50, \$53.00, \$53.50, \$54.00, \$54.50, \$55.00, \$55.50, \$56.00, \$56.50, \$57.00, \$57.50, \$58.00, \$58.50, \$59.00, \$59.50, \$60.00, \$60.50, \$61.00, \$61.50, \$62.00, \$62.50, \$63.00, \$63.50, \$64.00, \$64.50, \$65.00, \$65.50, \$66.00, \$66.50, \$67.00, \$67.50, \$68.00, \$68.50, \$69.00, \$69.50, \$70.00, \$70.50, \$71.00, \$71.50, \$72.00, \$72.50, \$73.00, \$73.50, \$74.00, \$74.50, \$75.00, \$75.50, \$76.00, \$76.50, \$77.00, \$77.50, \$78.00, \$78.50, \$79.00, \$79.50, \$80.00, \$80.50, \$81.00, \$81.50, \$82.00, \$82.50, \$83.00, \$83.50, \$84.00, \$84.50, \$85.00, \$85.50, \$86.00, \$86.50, \$87.00, \$87.50, \$88.00, \$88.50
